**Notice of Appeal, Legal Dispute**, with regard to: Docket  
#A0709150000

12/14/15

Dear Sir Madam of the DMV, Please be Advised, In this Legal Notice, for the Preservation of All Constitutional secured rights, I am respectfully requesting that the DMV, re address this matter, under the following docket, ( #A070915000) that I am being Penalized for a Civil Penalty, (#A070915000) in a NON TRAFFIC Related incident, These penalties, Have been illegally applied. And also, I have not been Afforded the (Due Process)right, to address these (Civil Allegations-docket #A070915000) \$825 made against me. As this allege Civil Issue had Nothing to do with Operating a Motor vehicle.

And furthermore, sir, madam, the term Civil, IMPLIES that there are Injured Parties, or damaged property Involved. There are no injured parties or damaged property in this Non Drivers Related Incident. That has been addressed in another venue. One cannot not be penalized twice, double jeopardy.

Your computer system state, that I was engaged in some form of negative activity that had nothing to do with me (Operating a Motor Vehicle). I ask the question sir madam, how is it, that civil penalties, are alleged, when the issue had nothing to do with operating a motor vehicle, and some Inaccurate statement was made in your system, that had nothing to do with me operating a motor vehicle. Which is clearly a Defamation of my Character; I am Respectfully Requesting that your agency considers these legal facts in disregarding these allege civil penalties.

Respectfully

Asirus Maat Martin El
